

Rounds

4 rounds: 2 with Day Deck and 2 with Night. Each Round:

Card collection

- Fill Conveyor: 6/6/6/7 cards/player, plus one facedown.
- All players start “in”. Repeat until only one player is “in”:
 - Players secretly bid how many cards they want from the front of the belt.
 - Reveal bids: lowest “wins” and collects cards. Resolve ties using the token queue
 - Card collected adds collected cards to Desk: they are now “out”.
- The final “in” player collects the remaining cards.

Packaging

- Desk cards are assembled into Packages according to type and placed into the Package Row.
- May also Package “Trail Mix”: **any 4 different nuts with matching name border color.** Scores 5 🏠.
- May trade one Cashew from their Desk with any card from another player’s Desk.

Cleanup

- Players move cards from Desk to Floor until they have 3 or fewer cards on Desk.

Final Scoring

Note: for Peanut Package and Almond Package counts:

- **Most:** *no one has more.*
- **Fewest:** *no one has fewer.*
- *If both “Most” and “Fewest”, score “Most”.*
- Score VP for packages.
 - Adjust Peanut Package Scores:
 - Most Packages +1 🏠/package
 - Fewest Packages -1 🏠/package.
- Add VP for Acorns on Desk.
- Add or subtract Packages for Almonds: Most +5 🏠, least -5 🏠.
- Subtract VP for cards on the floor: first 2 cards -1 🏠 each, next 2 cards -2 🏠 each, each card after that -3 🏠
